MOVIES TO AID CHURCH 'WATCH NIGHT' FRIDAY

First Methodists to Welcome
Residents and Strangers
on New Year's Eve

Among the various plans for cele-
brating the passing of the old year
and the coming of the new is a Watch
Night service at the First Methodist
church. It will be the old style watch
meeting, dressed up with several mod-
ern frills. The fathers, for instance,
probably never thought of the moving
picture machine as an aid to devotion
in the hours that are in some ways
the most impressive of the whole year.
Yet it will be called on to add its part
in the exit of 1915.

The program as planned begins at
8:30 and lasts with frequent changes
of theme and scene until the whistles
announce the new year. One part of
the evening will be a "Get Acquainted
Hour," so that from the most transi-
ent tourist to the oldest inhabitant
no one need feel lonesome.

At intervals during the evening a
number of speakers will be heard, sev-
eral local leaders taking part as well
as visitors. Best known among these
is Dr. F. E. Clark of Boston, Mass.,
who is known the world over as the
founder of the Christian Endeavor
movement. Dr. Clark came here sev-
eral weeks ago to recuperate from an
attack of typhoid fever, and to regain
his strength before the taxing duties
of the next world's convention of
Christian Endeavorers is held. Thus
far he has taken no part in public
gatherings, but he has been so much
benefited by Honolulu's delightful win-
ter climate that he is beginning to lift
the embargo on public engagements.

The invitation to the year-end ser-
vice is a general one. Not only are
the congregations of the English-
speaking churches invited; the Salva-
tion Army is cooperating; and the
Young People's League. So the latch
string will be out to everybody.

A MESSAGE TO THIN, WEAK, SCRAWNY FOLKS

An Easy Way to Gain 10 to 30 lbs. of
Solid, Healthy, Permanent Flesh.

Thin, nervous, undeveloped men and
women everywhere are heard to say,
"I can't understand why I do not get
fat. I eat plenty of good, nourishing
food." The reason is just this: You
cannot get fat, no matter how much
you eat, unless your digestive organs
assimilate the fat making elements
of your food instead of passing them
out through the body as waste.

What is needed is a means of gen-
tly urging the assimilative function of
the stomach and intestines to absorb
the oils and fats and hand them over
to the blood, where they may reach
the starved, shrunken, run-down tis-
sues and build them up. The thin
person's body is like a dry sponge—
eager and hungry for the fatty mate-
rials of which it is being deprived by
the failure of the alimentary canal to
take them from the food. The best
way to overcome this sinful waste of
flesh building elements and to stop
the leakage of fats is to use Sar-
gol, the recently discovered regenera-
tive force that is recommended
so highly by physicians here
and abroad. Take a little Sar-
gol tablet with every meal and
notice how quickly your cheeks
fill out and rolls of firm, healthy flesh
are deposited over your body, cover-
ing each bony angle and projecting
point.

Caution:—While Sargol has pro-
duced remarkable results in overcoming
nervous dyspepsia and general stom-
ach troubles, it should not be taken
unless you are willing to gain ten
pounds or more, for it is a wonderful
flesh-builder. For sale by Benson,
Smith & Co., Chambers Drug Co., and
Hollister Drug Co.—advertisement.

BUILDING PERMITS.

THEATRICAL OFFERINGS INCLUDE GRIEG AND MOZART IN LAST PROGRAM

Mozart's famous concerto, A major,
and the famous Grieg sonata, G minor,
major, op. 13, will be the outstanding
features of Maud Powell's farewell
Honolulu concert, which is to be given
tomorrow (Thursday) evening at
the Opera house, not tonight, as has
been erroneously published in the
morning paper. Arthur Loesser will
again assist as pianist.

The program is perhaps even bet-
ter chosen and balanced than that
given Monday night by Madame Pow-
ell. It is in five parts, grouped as fol-
lows:

1. Mozart Concerto, A major
(In three movements) (Cadenzas
by Grasse)
- Tempo di menuetto
Adagio
Allegro aperto

The Concerto in A major is replete
with charm, vivacity, humor, grace.
The slow middle movement in particu-
lar has the sweetness and angelic
repose and simplicity that one senses
in the clear gaze of a child. Indeed,
much of Mozart's music seems like
the pure soul of childhood, embodied
in tone. The Cadenzas by young Ed-
win Grasse are in complete spirit
with the concerto and seem as sponta-
neous and pure as Mozart's music it-
self.

2. Grieg Sonata, G minor-major, Op. 13
(In three movements) (For piano
and violin)
- Lento doloroso. Allegro vivace.
Allegretto tranquillo. Allegro an-
tato.

Grieg, who speaks to the musical
world in his own Scandinavian idiom,
has been much beloved in the pure
melodic appeal and in the Norse har-
monic and rhythmic peculiarity of
manner. His music breathes the spir-
it of the Norwegian folk song and
dance, carrying one direct to Norway,
the land of mountains, fjords and the
midnight sun.

3. Three dances:
Beethoven (a) Minuet
Sibelius-Powell (b) Musette
Zarzycki (c) Mazurka
4. Piano solos:
Sgambati (a) Gavotte
Field-Bulow (b) Rondo
Chopin (c) Berceuse
Grainger (d) Shepard's Hey
5. Hubay Hejre Kati

'I PAGLIACCI' IN SECOND WEEK OF OPERA SEASON

"But when is de Folco to sing Pagli-
acci?" is the query heard among
Honolulu music lovers, who are
already stirring with interest because
of the four week grand opera season
to be opened by the de Folco Grand
Opera Company on January 17. For
de Folco as Canio in Leon Cavallo's
tragic opera is well remembered by
those who heard him in that difficult
role when he visited Honolulu as the
tenor of the Lamardi Opera Company
in the spring of 1913.

The double bill, "Cavalleria Rusti-
cana" and "I Pagliacci" has been se-
lected as one of the features of the
second week of the engagement here,
with a possible repetition later during
the season.

De Folco's Canio, both as a vocal
and dramatic achievement, has earned
him wide recognition. Florence Lil-
lian Pierce, musical critic for the
Los Angeles Times, gave him the fol-
lowing high praise:

"Los Angeles opera goers are Folco-
mad. They have demonstrated it al-
most six nights a week for four weeks,
but never so thoroughly as last night
when this superb tenor was called
upon to sing two difficult roles in one
evening—that of Turridu in Cavalleria
and Canio in Pagliacci, and created a
furore in both.

"Folco gave prodigally of his talent.
He reached vocal and dramatic heights
in both operas, and his sustaining
power seems to be limitless."

ENTERTAINMENTS ON ROOF GARDEN OF YOUNG HOTEL

With the heavy rains of the past
few days apparently a thing of the
past, the Young Hotel tonight will re-
commence its unusually good roof
garden entertainments. Miss Ruth
Florence, the soprano who has made
a hit in the few days since she first
appeared; Miss Billie Fisher, rag
singer, and Miss Edythe James, bal-
ladist, will again appear on the roof
garden from 9 to 11:30. The canvas
dancing-floor which proved popular
when first tried will be ready for the
devotees of the terpsichorean art.

The regular cabaret performance in
the rathskeller will be continued, the
singers appearing from 6:30 to 8:30.
Many dinner parties are being ar-
ranged in the rathskeller as the result
of the new entertainments.

OPEN HOUSE AT ASSOCIATION ON NEW YEAR'S DAY

Y. M. C. A. Plans Reception,
Special Dinner and Program;
Men and Women Welcome

Both women and men will be wel-
comed at the Y. M. C. A. on New
Year's Day when the association will
hold their big social event of the year
with an open house meeting to the
members, friends and supporters of
the organization. Ladies as well as
the men will be privileged characters
on this day, and every department in
the association will be open for in-
spection.

From 5:30 until 7:30 o'clock on Sat-
urday evening the Y. M. C. A. will
serve a New Year's dinner in the cafe-
teria to both women and the men.
Special music will be furnished for the
occasion. This will be only one of the
many features that are being especial-
ly planned.

Mr. and Mrs. Frank C. Atherton
will receive the members and their
friends in the lobby of the Y. M. C. A.
between 7:30 and 8:15. Mr. Atherton,
president of the association, will pre-
side at the meetings to be held on
that evening.

Basket-ball Game Feature.
At 8 o'clock the basket-ball fans will
be given an opportunity to witness
one of the best games of the year.
John Gomes has organized a fast five
to meet the champion service team,
and this will be the banner meeting
between the two squads before the
champion floor artists leave for the
coast. The game will be played in the
Y. M. C. A. games hall, and should
prove interesting to all, as the two
squads rank first in the city.

Physical Director Glenn E. Jackson
will have his special class give a sym-
nastic exhibition in the gymnasium at
8:45. All of the members are students
of the various schools, and their ex-
hibition will show what they have
learned since the first of the season.
After the gym features the crowd will
adjoin to the pool, where a number
of exhibitions will be given.

Clair Tate, champion diver of the
Northwest, who has proved to be a
big factor in exhibition work on the
coast, will be featured. Tate was a
member of the Multnomah Club, and
holds a number of medals for exhibi-
tion work. He will also be assisted
by Lorrin Thurston, George Fuller and
L. Leo, local divers who have made
good in Honolulu.

H. A. C. WILL MAKE NEXT YEAR PLANS

Members of the H. A. C. will meet
at the Y. M. C. A. this evening for a
dinner in Cooke hall. At the dinner
plans will be discussed as to the fu-
ture of the club. Members are
mostly students in the various schools
of the city, and their activities in so-
cial and athletic life have been es-
pecially noticeable.

Joseph Stickney, Roy Graham and
Leon Ebersole will give short talks
this evening on the policies of the club
and the plans for increasing the mem-
bership. The "Mikes" and the "L. O.
P." teams bowl this afternoon at the
Y. M. C. A. alleys in the first game
of a double-header that will be staged
by the H. A. C. Club. The "Fussers"
and the "Spugs" will roll a series of
games following the first match.

Members of the H. A. C. Club have
been prominent in local athletics and
the club proved that they were active
in swimming when they annexed sec-
ond place in the recent swimming
meet in the pool. The H. A. C. organi-
zation also tied for first place in the
basket-ball league at the association.

BROTHER OF BISHOP LIBERT DIED MONDAY

Florent Boeynaems, a brother of
Bishop Libert of the Fort street Cath-
edral, died in Antwerp, Bel-
gium, last Monday, according to infor-
mation which has been received by
the bishop. Mons. Boeynaems, who
was a notary and land agent in the
district where lived, was about 60
years of age, and is survived by a
widow and 13 or 14 children. Four of
his sons have been fighting in the
ranks of the Belgian army, one now
being a prisoner "somewhere in Ger-
many."

MISS MARY JOHNSON'S BROTHER PASSES AWAY

Miss Mary Johnson of the Colonial
Hotel was advised by cable yesterday
afternoon of the sudden death of her
brother, Mr. Jake Johnson, who for
30 years has been the sheriff of Pi-
coche, Nevada. Mr. Johnson died of
heart failure. He was 55 years of
age at the time of his death.
